WELCOME

BOB PINKSTON

It is my Honor to Welcome you to the 63rd Annual National Football Foundation - Scholar Athlete Banquet. The Toledo / Wistert Chapter of the NFF serves the region of northwest Ohio and southeast Michigan and is one of 60 similar chapters throughout the country. Our local volunteer board of directors work in conjunction with the football administration of approximately 100 high schools and 11 collegiate programs based in our region to recognize achievement in this great sport.

Our scholar athletes have been selected for their achievements on the field, in the classroom and in their respective communities. We also recognize coaches, volunteers, officials and the media that help promote the game and help our Scholar Athletes reach their potential. As you learn more about these dedicated individuals, you will realize the impact they have on the communities throughout our region.

A special Thank You goes out to our keynote speakers for this evening, Bowling Green State University - Head Football Coach Scot Loeffler and University of Toledo - Head Football Coach Jason Candle. Both men epitomize the commitment to the highest standards of the game of football.

We hope that you enjoy your evening.

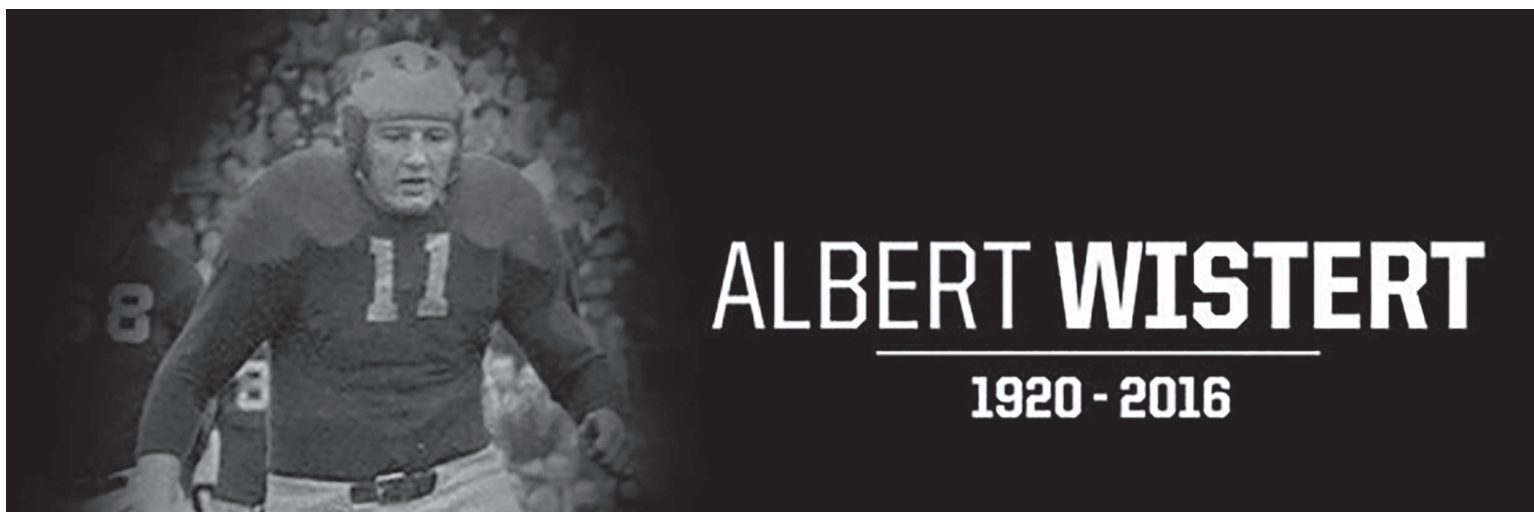

WISTERT CHAPTER HISTORY

Francis Michael "Whitey" Wistert (Feb 20, 1912 – April 23, 1985) was an All American football and baseball player. He played college football and baseball at the University of Michigan. Wistert was the first of the three brothers who were named All-American tackles at Michigan and later inducted into the College Football Hall of Fame in 1967. He and his brothers (Albert and Alvin) are three of the seven players who have had their numbers retired by the Michigan football program. Whitey played on three consecutive Big Ten Conference football championship teams, including two that won back to back national championships. He was also the Big Ten Conference MVP in baseball and later played for the Cincinnati Reds.

After retiring from sports, White became a New York lawyer. He went on to become Vice President of an industrial relations firm in Toledo, Ohio. He also served in the United States Navy as a lieutenant during World War II.

In 1962, Whitey Wistert and a group of friends established the Toledo Chapter of the National Football Foundation Hall of Fame. Seven members were inducted into the first honored class.

GUEST SPEAKER

JASON CANDLE

UNIVERSITY OF TOLEDO HEAD FOOTBALL COACH

For the past 16 years, no one has embodied the success of Toledo Football more than Head Coach Jason Candle. In nine seasons as Toledo's head coach, Candle has won two Mid-American Conference Championship titles and three MAC West Division crowns,

while making seven bowl appearances. He was named MAC Coach of the Year in 2017 and 2023.

Candle has won 68 games as Toledo's head coach, second in program history only to Gary Pinkel, who won 73 games from 1991-2000. No team in the Mid-American Conference has won more games than Toledo during Candle's tenure.

Candle first joined the Rockets as an assistant coach in 2009, eventually assuming the role of offensive coordinator. He took over as head coach in December of 2015, embarking on a quest to take an already outstanding program to even greater heights.

Emphasis on Academic Excellence

Academic excellence will always be a top priority for Candle and his staff. The Rockets have surpassed the 3.0 GPA mark seven times since Candle became the head coach, including a program-record 3.202 in the spring of 2023. The Rockets also have led the Mid-American Con-

ference in the NCAA's Academic Progress Rate (APR) in seven of the past 10 years in which the data was released to the public, with an average score of 977.5 over the past seven years.

The Rockets also earned a 94 Graduation Success Rate (GSR) in 2023, the highest score in school history and the best mark among Mid-American Conference schools. Toledo was one of only seven schools in the nation to earn the 2022 American Football Coaches Association's Academic Achievement Award.

Coaching Origins at Mount Union

Candle joined the Rockets' staff in 2009 after spending both his playing and coaching career under head coach Larry Kehres at Mount Union.

A 2003 Mount Union graduate, Candle was an All-Ohio Athletic Conference first-team selection in 2001 as he led the team in receptions (41), yards receiving (778) and touchdowns (9). He was a key member of the 2000 and 2001 national championship teams and finished his career with 57 grabs for 1,037 yards and 11 scores.

Candle, a native of Salem, Ohio, began his coaching career at Mount Union in 2003 as the receivers coach. In the 2004 and 2005 seasons, he worked with Matt Campbell, who was the Purple Raiders' offensive coordinator at the time. Candle took over the post of offensive coordinator in 2007, and also assumed the duties as the program's recruiting coordinator.

Candle and his wife Nicole have a daughter, Avery, and two sons, Cameron and Colton.

BANQUET/PROGRAM DEDICATION, 2025

THE JACK LUETTKE FAMILY

JACK LUETTKE

The Toledo Wistert Chapter of the National Football Foundation dedicates tonight's banquet to one of our own, Jack Luettkke, who passed away in September.

Coach accepted an invitation to our board 14 years ago and was a member of no fewer than seven committees, his longest tenure being with the Scholar-Athlete Awardees and the Dedication, Distinguished Service, and Coaches' groups. He was our Michigan connection and responsible for our expansion into school coverage throughout southeastern Michigan.

We appreciated the enthusiasm, acuity, and dedication he brought to our board. He is dearly missed.

We experienced what the community of Whiteford saw up close for five decades. He was a three-sport athlete as a student at Whiteford. He graduated in 1966 after playing on teams that won 23 straight games. After graduating from Eastern Michigan, he returned to Whiteford to coach varsity football for 29 seasons and varsity baseball for 24 years. He remains the winningest coach in both of those sports at Whiteford.

Jack was Monroe County Region Coach of the Year four times in baseball and once in football (1985). He had 187 wins in football and 325 wins in baseball.

He was inducted into Michigan's High School Football Coaches Association Hall of Fame, the Whiteford Athletic Hall of Fame and, later this year, will be named to the Michigan High School Baseball Hall of Fame.

He finished his football coaching career as an assistant at Bedford High School.

DISTINGUISHED SERVICE AWARD

TOM FERGUSON

No one epitomizes lifetime service and contribution to the Wistert Chapter of the National Football Foundation and to prep football in Northwest Ohio better than Tom Ferguson.

Born in East Toledo, Ferguson moved to Rossford at 8 years old, immediately fixing himself

into that community. He played football and basketball for the Bulldogs before earning a scholarship to Findlay where he jumped into the lineup as a running back, receiver and long snapper. That was interrupted by a stint in the Air Force; yet he returned to football at Findlay College in 1970 as a receiver's coach for two years. In 1972 he started his high school career at Milan Edison. He was an assistant football for seven years and also the head track coach and assisted in basketball.

The love affair with Rossford was continued in 1979 when Ferguson became head coach at his alma mater. He was head coach through the 2002 season. He impacted hundreds of young men, winning 119 games and six NLL titles. Rossford had the smallest enrollment in the league. He was tabbed the DIII Coach of the Year and Ohio's Coach of the Year in 1987. Twice he received the

Coaches' Award from the Wistert NFF, the chapter he would eventually lead as president for three terms.

Tom went from the sidelines to the boardroom with the National Football Foundation in 2003, when he retired from Rossford. By 2006 he was vice president and became president in 2008.

Then he began impacting the sport beyond the Rossford hallways. He became involved with the summer all-star game for graduated seniors sponsored by the Perrysburg Boosters Club and administered by Ray Pohlman, his longtime coaching rival and now the NFF's executive secretary. He provided coaching manpower and expertise that added immensely to the experience for the players.

He presided over arguably the most successful NFF banquet, that being 2011 when Jim Tressel was the speaker. He also led to the reshaping of our committee system, recruiting foundation members for their particular skill sets and then assigning them to committees where they would be effective. Ferguson hatched the idea to take our scholar athletes and guest speaker to local children hospitals to visit patients.

That program as well as the successful annual banquets brought our chapter national recognition. Tom was chosen in 2010 as one of five NFF Chapter Leadership Award recipients. He was the first from our chapter to ever receive the award. Bob Eberly would become the second in 2021.

Ferguson and his wife Susan still live in Rossford. They have two daughters, Stacy and Shelly.

ROY ROBERTS SCHOLARSHIP

ROY ROBERTS

Roy “Rob” Roberts was honored by the Wistert Chapter of the National Football Foundation in 1981. A graduate of Northview High School he was known for his exceptional work ethic and attitude. As an undersized lineman coming off two losing seasons, Rob dedicated himself to a rigorous off season workout regimen. His dedication paid off with a school best 7-2-1 record and an All GLL season. His positive attitude and leadership aligns perfectly with the mission statement of the National Football Foundation. His quotes were always around “unity”, “bond” and “constructive” behavior.

Roy Roberts passed away at the young age of 51 in 2014. He is remembered as a good natured, kind hearted son, brother and friend. Rob’s love for football continued throughout his life. He delighted in talking with fellow sports fans about Northview, Toledo, Michigan and Detroit Lions football.

Since his passing in 2014, his family has continued the legacy of Rob’s spirit with the Roy Roberts scholarship. These scholarships are awarded to previous NFF honorees who continue to exemplify the qualities of the National Football Foundation as college freshmen.

Tim was among the many severely injured. Tim's recovery was an inspiration to all of us that followed this tragedy. The Wistert Chapter of the NFF was so moved by Tim and his courage that we honored him with the Don King Courage Award. He continued to stay involved with our group and the presentation of future Courage Awards. To honor his courage, inspiration and spirit we've decided to call this award the Tim Berta Courage Award.

RICK MIELCAREK

DON DARTT HIGH SCHOOL OFFICIATING HONOREE

I am humbly honored to receive the Don Dartt High School Officials Award. I have been fortunate to meet many tremendous officials in the past 25 years, but Mr. Dartt was more than just a Hall of Fame official he was a legendary gentleman who was always willing to give of his time and knowledge to

help advise and mentor any official who was willing to listen and improve.

My background in athletics began at a young age following and playing alongside my brothers and friends whatever sport season it was. Playing organized sports began at St Hyacinth School, participating in baseball, basketball and football. I went to attend St Francis High School, graduating in 1984, playing football and a few years of baseball. I was fortunate to then move onto college and play football for Hall of Fame coach Dick Strahm at Findlay College for 4 years graduating in 1988 with a degree in Sports Management.

Upon graduating college, I returned to Toledo and began my career working for Toledo Testing Laboratory which changed to TolTest and then TTL Associates as a geotechnical drill operator for 5 years followed by an operations manager for 28 years. In 2022 I left TTL and now work for Terracon Consultants as an Exploration Manager.

As with most officials, your family sacrifices many evenings and afternoons with us being away officiating games. I have a tremendous amazing and supportive wife Cindy whom I married in 1992. Together for over 32 years we are blessed with 2 wonderful daughters Madeline Reamsnyder (Travis) and Veronica Bockbrader (Luke) and granddaughter Oaklynn. As a side note, this past season was the 1st game Cindy has ever been at that I officiated.

I began officiating football 25 years ago, when my oldest brother Jeff encouraged me to sign up and try it out

for which I am very thankful and wished that I would have begun sooner. After completing the class I began officiating youth league and sub-varsity games nearly every day of the season. To begin my second season, I was asked to join Tom Gibbons and Kevin Aller's varsity crew with whom I have remained crewmates and friends for the past 20+ years.

I have always enjoyed working youth football, working in the CYO league for almost 20 years followed by working the past 5 years in the Washington Local Football League. To learn the officiating side of football the from many great mentors, partners and friends along the way has been the most rewarding part of my officiating experience.

In the summer of 2019, a good friend, official and mentor Grant Henderson called to see if I had interest to join his college crew in Division 3 NCAC Football League. It was something that I wanted to try after my daughters completed school and were no longer participating in sport events or activities that would conflict. The crew was comprised of NW Ohio officials who enjoyed traveling and working the season together. I worked Division 2 & 3 games which was fun as well as challenging but stepped aside after 3 seasons due to changing jobs and a knee replacement.

I have been an active member of the Northwest District Football Officials Association (NDFOA) since and have served as a member of the NDFOA Executive Committee for the past 18 years as President, Vice President and board member. The NDFOA continues to work and improve recruiting, retainment and mentoring officials. I have enjoyed working with Mark Kuhn for the past 10 years assisting with training and preparing the new class of officials.

Throughout the past 25 years of officiating, I have been fortunate to be a part of many outstanding games and atmospheres (stadiums) involving some future NFL players, legendary coaches, Hall of Fame officials and lifelong memories. I am thankful to my wife and family for the support and encouragement to allow me to continue to enjoy and be a part of the tremendous game that I love.

JIM SHAW

COLLEGIATE OFFICIAL AWARD HONOREE

Jim's background in sports included participation in football, wrestling, track and baseball at McComb High School. Jim graduated with a Bachelor of Science in Civil Engineering from Ohio Northern University, where he played football as well as indoor/outdoor track and was inducted into

the ONU Athletic Hall of Fame. Jim's football officiating passion began about one year out of college, after he and friend (Kevin Aller) decided to take an officiating class taught by Don Dartt.

As a Civil Engineer, Jim came to the Toledo area and worked at a private consulting engineering firm and subsequently went into the public sector where he currently serves as the Lucas County Sanitary Engineer and is eligible to retire in the Fall of 2025, just before another football season begins.

Jim has been a member of the National Football Foundation Board of Directors for many years and served

as the NFF Toledo Wistert Chapter President in 2023 and 2024. Jim has attended many officiating camps & clinics throughout his officiating career for training and to assist as a clinician and mentor to other officials. Jim also serves as an observer and trainer for Division II and III football officials.

After officiating football at the high school level for ten years, Jim began officiating at the NCAA level: Great Lakes Intercollegiate Conference, Div. II from 1998-2001; the Missouri Valley Football Conference, Div. I-AA from 2002-2008 and has been officiating in the Big Ten Conference since 2009. Along with football, Jim also officiates high school and college lacrosse in the spring.

With Jim's officiating career spanning more than three decades, he has officiated NAIA and FCS playoff games, including the FCS National Championship game. Since his start in the Big Ten Conference, Jim has been blessed and honored to officiate twelve Bowl games and three Big Ten Championships. Jim says his most recent game at the New Year's Day Peach Bowl is the highlight of his officiating career to date, as Marsha, his wife of 35 years, two children, their spouses and seven grandchildren were all able to attend the Peach Bowl on January 1, 2025.

TOM SANTORO ASSISTANT COACHING AWARD

RYAN BROWN

CENTRAL CATHOLIC HIGH SCHOOL

Ryan is a proud alumnus of Central Catholic High School, graduating with the Class of 2006. As a member of the 2005 State Championship football team, he developed a passion for the game that has carried over into his coaching career. Since graduating, he has dedicated himself to Central Catholic's football program, beginning with three seasons as the freshman football coach before joining the Varsity staff in 2009.

From 2009 to 2014, he served as the linebackers coach, and in 2015, he took on the role of defensive coordinator. Over the years, he has had the privilege of coaching many talented athletes and working alongside an incredible coaching staff. His focus has always been on building strong, disciplined defenses and helping players reach their full potential. Since coaching Varsity, Central Catholic has compiled an impressive Varsity record of 187-30, securing numerous League Championships across different conferences, multiple Regional Titles, four State Championships, and two State Runner-Up finishes. Since becoming defensive coordinator, Central Catholic has gone 123-16, while giving up just 12.4 points per game.

Beyond the football field, he is also a teacher and enjoys helping students grow both academically and socially. During the 2024 season, he and his fiancée, Carina, welcomed their first child, a beautiful daughter, Isabella, making the year even more special for their family.

His unwavering dedication to Central Catholic, both as a coach and a mentor, continues to help shape the future of the program and inspire the next generation of Fighting Irish athletes.

VOLUNTEER JUNIOR FOOTBALL LEAGUE AWARD

DWAYNE MOREHEAD JR. (POSTHUMOUS)

Dwayne Morehead Jr. grew up on Parkwood and graduated from Scott High School. His passion for mentoring and coaching began early, starting at just 18 years old when he joined the McKinley basketball team as a coach.

Over the years, he expanded his influence, coaching the Leverette football team, Bennett Venture Academy boys and girls basketball teams, YMCA boys basketball teams, and, beginning in 2017, serving as head coach for the McKinley Broncos football team.

Dwayne's commitment to the youth never wavered, even as his health declined. In fact, he was on his way to practice with the Broncos during his final moments, tragically passing away from a fatal heart attack. Despite this loss, his legacy lives on in the countless lives he touched through his unwavering dedication to mentorship.

A devoted father, Dwayne shared his love of Athleticism with his son, Dwayne III, who became a Division I athlete at the university level. He was also a community leader,

serving as Youth Commissioner of the City of Toledo and CEO of The Heads UP youth mentoring program.

Each year at the McKinley Broncos Summer Camp, he brought together local leaders and athletes, such as Todd Mitchell, Tycen Anderson, Tom Cole, Mike Robinson, and Godfrey Lewis, to inspire the kids that he coached. During the off-season, Dwayne went above and beyond for his players, arranging college visits and outings to foster their personal and academic growth. Many players, past and present, continued to stay in touch with him, a testament to the deep relationships he built.

Dwayne's contributions extended far beyond the field. His profound impact on the community was recognized by the General Assembly of the State of Ohio and Ohio Representatives, who honored him posthumously for his outstanding service and dedication.

His wife Bonita and his children continue to carry on his legacy. Bonita currently runs his Broncos program and Magic and Mi'Yonna are coaching the cheerleading team and organizing events and fundraisers like Trunk or Treat, etc. Kierra manages the team's finances and Dwayne III also assists with coaching the football team. Together, they uphold Dwayne's commitment to nurturing the next generation and building a stronger community. His love for the youth will always live on.
