

## Newest NFF Wistert Scholarship Winners

At the March 2023 Banquet six NFF Wistert Scholarships were awarded to applicants from the field of 2022 Scholar Athletes.

Tanner Rubinstein won the \$3500 Bob Smith Memorial Scholarship. He prepped at Napoleon High School and attends Siena Heights University.

Five each received \$2500 awards. They were Chase Saneholtz (Anthony Wayne) now attending Ohio University; Grant Craig (Whitmer) attending Tiffin University; Michael Seney (Perrysburg) attending the University of Findlay; Cole Giesige (Whiteford) attending Albion College; and Jackson Bergman (Hicksville) attending the University of Toledo.

Starting in January, the scholar-athletes awarded at the previous banquet were asked to apply on line for the six financial awards. These were announced at the March 2023 banquet. Winners were chosen based on scholarship, financial need, and submission of a narrative informing the committee of one's leadership and involvement at college through the first semester.
